away fill from the granite blocks of the foundation and there have been problems of eroding and the asphalt surface has been breaking up. The engineering company suggested some type of granite wharf or grouting could be one solution. This company has done granite wharves in Mystic, and said that granite from Vermont might be equal or less in price than steel.

No action was taken but Mr. Marcello said he will proceed with the initial planning and keep track of funding in Washington.

Mr. Haskell has prepared plans to increase user fees for moorings to help the wharf pay for itself. Discussion of this was put off until Selectman William Hub-

"A Christmas Remembrance"

MURRAY DECOFFE - EARLE UNDERWOOD

Two of the gentle hearts of our beloved
village have been welcomed into the nearer
presence of God and now, along with
our gifts and packages we will carry the
burden of their absence.

No one single word of remembrance could
express adequately the goodness of their
lives. They were far from being alike, even
to the expression of their Christian faith. Yet

one eulogy is sufficient to praise them in
the gates! They were both gentle, caring
men who helped and can help us understand
what human responses are all about, how
fathers ought to act, how homes ought to
be built. They possessed alike the strength
of elemental virtues.

This carol of remembrance may seem to
mute the melody of life, but the words that
accompany that score are ever so strong

Rochester Crime Watch

The Rochester Police Department launched its "CRIME WATCH" program Sunday, December 7th, at the Rochester Woman's Club. The "CRIME WATCH" is a joint effort of both the Rochester Police Department and the Woman's Club.

Nearly 60 Rochester residents attended the event. The speaker was Patrolman Philip T. Zimmer, Rochester's recently appointed crime prevention officer.

Zimmer stressed three main points in his presentation. They were the use of operation identification, setting up neighborhood watch programs and knowing when and how to contact the police.

Zimmer stated that operation identifi-

cation is proven crime prevention method. He stated that when goods are properly marked and the fact is displayed on the doors and windows of a house a burglar will be less likely to break into that home.

Zimmer stated that the best protection from a burglar is an alert neighbor. When neighbors begin to look out for each other, become more aware of each other's habits that section of the community becomes safer to live in. Be aware of any unusual activity around your neighbor's house. This is an informal and effective neighborhood watch program at its simplest.

Zimmer stated that if you see something suspicious CALL THE POLICE. Your police department would rather investigate a crime prone situation than be called when it is too late.

Your calling may save a life, prevent an injury or stop a criminal act.

Zimmer stated that it was Chief Walter Pierce's intention that the meeting serve a three-fold purpose. To increase the communication between the police and the community, to educate them in effective crime prevention methods and to let the criminal element know that the Rochester Community is united in its effort to deprive them of the opportunity to commit a crime in Rochester.

Zimmer stated that meetings have been set

Dear Gloria Stevens...

You gave me quite a gift!

"I keep looking for that 'magic' formula that makes my wife feel happy about having joined Gloria Stevens. I have noticed that she is more relaxed, and less nervous than ever before. I feel great just knowing that she is doing something that she enjoys so much. I know that there is no 'magic' formula, it's just a matter of self-discipline and determination to stay healthy. Thank you so much Gloria Stevens and all of the lovely people who have helped to make my wife a healthier and happier woman."

Refreshments were provided by members of the Tri-Town Lioness Club. Music was donated by the Menage a Trois. The hall was donated by the Knights of Columbus. Mrs. Edwin Marnik led the singing of Christmas carols and accompanied on the piano.

The Tri-Town Lioness Club includes Mattapoisett, Rochester and Marion. The club was formed in June, 1980. Many members said this was their most satisfying activity since they were organized.

Phyllis Dupont was chairman of the program and was assisted by her family and the members of the club.

Based on the response they received this year the club feels they would like to make this an annual project.

Bowling League

ROCHESTER BOWLING LEAGUE - DEC. 9th
 BowlMor (Bob Jefferson 402) assured themselves of a bowl-off berth by plunking two points from Hartley Saw Mill (Henry Hartley 420). The only other team with a shot at first place, Nanfelt's Minks, was kept busy on alleys nine and ten trying to catch up to Sturtevant and Hook, who with the help of Dave Swift (368) blitzed the minks for all three points. Joel Wales turned in a 369

to lead the bewildered Nanfelt team. Bob Smith (163,414) openly admitted his disappointment regarding his team's requirement that he consistently "carry" them, as he struggled in a losing cause as the Bowling Stones were two point victors over Marion Par Three. Captain Larry Gracia with 165, 444 was league high man for the night and won an all expense paid gala weekend for two at Nasketucket. Guaranteed Pest Control was successful in lowering their team average significantly in dropping all three points to Louie Ouellette (355) and Herb's T.V. No one was high for the "pests".

December 6th, the travelers reached Manasquam, N.J., and on Sunday they docked at Atlantic City, N.J. The boardwalk was desolate, reports Teddy Sullivan. Brian Rose says they passed a milestone when they anchored outside the city of Cape May. Bill Sullivan, the historian in the group, claims Cape May is the first city below the Mason Dixon Line.

Dan Dunn claims that going through the Cape May Canal and entering the Delaware Waterway is the best news yet. On Tuesday, December 9th, after traveling through the

Holiday Protection

"CRIME PREVENTION SHOPPING LIST"

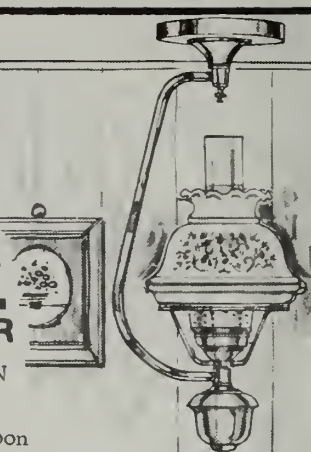

Crime Prevention Officer Phil Zimmer of the Rochester Police Department has issued a "Crime Prevention Shopping List" prepared by "Crime Watch", a statewide crime prevention program.

The advice is intended to help people protect their property and themselves during the holiday season. Officer Zimmer advises that when shopping:

Always keep the car door locked whenever and wherever it is parked and pocket the keys.

If packages must be left in the car, lock them in the trunk out of sight.

Those with a station wagon should put the packages on the floor and cover them.

Park in a lighted area if possible.

Keep packages under your control at all times, whether inside or outside the stores.

Do not put down your purse while looking at merchandise.

Do not carry large sums of cash. Bring only the cash needed for purchases. If a large sum of money must be carried, divide the cash between your purse or wallet and your pocket. Carry a few extra dollars in your shoe.

Do not carry a purse by its handle or place your arm through the strap and let the purse dangle. Place one end of the purse in the palm of your hand, the other in the bend of your elbow, keeping the purse close to your body.

Make an inventory of your credit cards. Most credit card companies hold the owner responsible until they are reported lost or stolen.

YMCA AQUATIC PROGRAMS

The New Bedford YMCA is offering two aquatic programs for young adults. First is a Basic Rescue & Water Safety course which provides the individual with knowledge and skills designed to enable him to save his own life in an emergency, to correctly respond in aquatic emergencies, and to assist qualified lifeguards in search and rescue procedures. You must be at least 11 years of age and the program starts January 5th for 10 weeks on Monday evenings from 7:30 - 9:00. The other program is for young adults at least 15 years of age. Lifeguard training consists of Red Cross and YMCA lifesaving and starts January 7th for 10 weeks on Wednesdays from 7:30-9:00.

Fitness swimming is for the swimmer who wants to swim laps and is an ongoing program Monday through Friday from 9:00 a.m. - 2:00 p.m. and is co-ed. Early Bird Swim is on Monday, Wednesday and Friday mornings beginning at 7:00 a.m.

For beginners and advanced swimmers the YMCA offers swimming lessons that cover fundamentals through advanced tech-

niques and also includes pool safety. Lessons are held on Mondays and Wednesdays from 10:00 - 11:00 a.m. or 7:00 - 8:00 p.m. and begins January 5th for 10 weeks.

Swimnastics is held to promote physical fitness through controlled water activities which use muscles of a specific area of the body while submerged in the water. This program does not require the participant to be able to swim, however, more advanced exercises will be available for advanced swimmers. Activities are held on Monday, Wednesday and Friday mornings from 9:00 - 10:00 a.m. or Tuesday and Thursday evenings from 7:00 - 8:00 p.m. and begins January 5th.

During Family Swim, all youths must be accompanied by an adult who is suited up, not in street clothes. Hours are Monday through Thursday from 6:00 - 7:00 p.m., Friday from 6:00 until closing, and Saturday from 1:00 - 5:00 p.m.

Child Care Dec. 20

Cadette Troop #49 will be holding a baby-sitting service at the Mattapoisett Congregational Church in the Parish Hall on December 20th from 11 a.m. to 5 p.m. for any child who is toilet-trained and up. There will be adult supervision and qualified first-aiders on hand. There will be fun activities for each child to participate in and refreshments. There will be a charge for this service. This is a good opportunity to get some Christmas shopping done. We hope to see you there.

Youth Hockey

Games for the week of December 13: In the Mites Division, the RAC Services Club defeated Barnstable 9-0. Seven of the goals came from Jeff Lawrence, three were unassisted, three came from single assists, two from Scott Hartley and one from Mike Kelly, while

the seventh came from a double assist from Scott Hartley and Paul Bessey. Josh Hedges held the net for the shut-out. The Rochester Koalas were defeated by a score of 7-0 in a hard fought game against a very fast moving Bourne II team. Both Mite Division competitions took place at Hetland Rink in New Bedford.

At the Hetland Rink also, in Squirt II Division competition, A.W. Martin Bruins defeated Barnstable 3-1. Billy Raynor picked up two of those goals assisted by Mike Duryea, while Mike himself scored the third goal unassisted. Bryan Becotte was in net. In Squirt III action, Campinos Pandas tied the Provincetown Squirts at the Dennis Coliseum 2-2. Gary Gray scored the first goal on a nice pass from Pete Herman, and Dean Vincent scored the second goal with the assist of Manny Carrico. Chris Vandal was in net.

In the Peewee II Division, Vel's Kodiaks defeated what might have been thought of as an undefeatable quest, shutting out Nauset 2-0. The credit for the win has to go to Jeff Humphrey, whose outstanding job defending his goal under hard and heavy fire never gave the Nauset team an inch. Tim Drew scored the first goal unassisted, while Jay Vincent earned the second with

At the Gallo Arena in Bourne the New Design Grizzlys defeated Harwich 2-1. Kris Smith scored for one assisted by Gary Sherman, and Sherman scored the other goal unassisted. Joe Lattimer was in net.

Sippican Rod and Gun

CHRISTMAS HAM SHOOT

The Sippican Rod and Gun Club will hold a Christmas Ham Shoot December 21 from 1:00 to 4:00 p.m. on the clubhouse grounds at Dexter Lane in Rochester.

Shotgunners will compete from 40 yards with 12, 16 and 20 gauge shotguns. They may use their own guns or ones available at the clubhouse. The club will also hold a .22 caliber rifle and pistol shoot along with the other events.

Once again, the Club will have a junior .410 gauge shotgun event. Participants for these shoots must be under 12 years of age, and they will shoot from 30 yards. Women are also invited to participate in all shoots.

The clubhouse will be open for refreshments. Those interested in becoming members may obtain applications from the clubhouse.

potential fire hazards. (Do not rely upon chemical coatings or sprays to flame-proof your tree.)

To test for freshness, bounce the trunk of the tree on the ground. A shower of falling needles will indicate the tree is too dry. Examine the trunk butt. It should be sticky with resin. Try to pull needles from the branches. They should be difficult to remove. Bend needles between your fingers. Fresh needles will not break.

After you purchase the tree, cut off about two inches of the trunk. This will facilitate the flow of water from the stand into the tree and keep it fresh longer. Mount your tree in a sturdy water-holding stand with wide-spread legs. Extremely large trees should have additional support from thin guy wires anchored to walls or the ceiling.

Make sure the base holder is kept full of water. Remember: the cooler the room temperature, the longer your Christmas Tree will stay fresh. Place the tree away from radiators, fireplaces and other heat sources. The tree should not block doorways or be

SAFETY TIPS TOY/HOLIDAY

The following are safety tips dealing
with toy/holiday safety from the New Eng-
land Regional Office of the U.S. Consumer
Product Safety Commission.

SAVE ENERGY SAFELY

Save energy safely. Lowering the ther-
mostat setting on water heaters can serve
the triple function of saving energy, lower-
ing costs, and preventing serious tap water
scald injuries.

Most water heaters in use are set at 140
degrees F and higher, which is hot enough

to cause serious scalding burns, especially to children under the age of five and persons over sixty-five who cannot escape quickly enough. Some experts indicate that a thermostat setting on home water heaters of between 120 - 125 degrees F or lower may be necessary to prevent many serious injuries.

It has been estimated that by lowering the water heater's thermostat from 150 degrees F to even 130 degrees F, the consumer could save 8 to 9 percent on gas or electric water heater bills each year.

SMOKE DETECTORS

Give a gift, give a smoke detector.

The U.S. Consumer Product Safety Commission states that more than 6,000 people die and over 300,000 are injured each year in home fires. Most deaths and injuries occur in fires that happen at night, while the victims are asleep.

Smoke detectors have been proven to be one of the most significant improvements

TOY SAFETY

For kids' sake, think about toy safety. Choose toys with care; select the right toy for the child. The Boston Office of the U.S. Consumer Product Safety Commission recommends that consumers read toy label recommendations. Be especially aware of small parts where children under three are concerned. Electrical toys are recommended for children over the age of eight, while skateboarders should be at least twelve years old.

ation, one of the world's leading marketing societies, the projections of a group of experts were discussed.

By Dr. William Lazer

Our gloomy outlook reflects the buffeting of the rising costs of energy, housing, food and basic necessities -- and lower increases in our real income. Yet, a review of likely developments of future economic factors supports the conclusion that the real standard of living of the average U.S. family is likely to increase substantially!

We shall see a continuing decline in the average size of households and further gains by non-family households. Working wives are becoming the norm. Over 50 percent of wives are now employed; the figure may rise to well over 60 percent by 2000. The

average contribution of wives to total family income will likely increase from the current average of 27 percent to 30-35 percent by 1990.

Whereas the early '70s began with good income increases and then fizzled, the 1980s are starting out weak but are expected to gain in strength and continue well into the 90s. Real income over the next two decades is expected to grow at

an average annual rate of two to 2.2 percent -- representing about a 60 percent increase by the end of the century.

As the dual earner family becomes the norm, affluence will become more widespread. The number of family households in the \$25,000 and over category (in 1977 dollars) will almost double by 1995. The latter part of the 80s will see great-

Prayer of The Holy Spirit

Holy Spirit, You enlighten me in every way. You eliminate all earthly paths so that all my dreams may come true. You give me the Divine quality to forgive and forget. You accompany me every step of my life. I wish in these few words to thank You and verify once more that I will never separate myself from you regardless of all the powerful and unstoppable intention to join You and all my brothers and sisters in the Perpetual Home. Thank You again.

One must recite this asking for nothing. Within three days the person will be granted the wish no matter how incredible it may seem. Publication promised.

THANKSGIVING NOVENA TO ST. JUDE

Oh Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known, and cause you to be involved. Say three Our Fathers, three Hail Marys and Glories for 9 consecutive days. Publication must be promised. St. Jude pray for us all who invoke your aid. Amen. This Novena has never been known to fail. I have had my request granted. Publication promised.

er numbers of family households with incomes of over \$50,000 per year (in 1977 dollars), including a substantial number of skilled technical blue collar workers. Some senior citizens will receive two pensions when working wives as well as husbands retire.

The greater affluence is likely to place a higher premium on leisure time. The 36-hour, four-day work-week could become common. More secure and less fettered socially and economically, we will be more likely to express ourselves as individuals. We will be more knowledgeable, better educated and better traveled with more cosmopolitan and cultured tastes.

It seems unlikely that the 1980s will unfold to reveal the dismal economic scene that many predict.

Inflation will be with us, perhaps averaging six to eight percent. We won't overcome our reliance on foreign sources of energy, but we will deal with energy situations more comprehensively, and become even more conservation-minded. The great dislocations resulting from OPEC actions may be mostly behind us.

TREE-TRIMMING PARTY DESSERT

A wonderful way to share the spirit of Christmas with others is to host a tree-trimming party. After all the popcorn is strung and the last ornament is hung, treat your guests to a creamy spirited dessert. Yule Nog Pie combines the traditional flavors of egg nog, nutmeg, rum and cream in an easy-to-use unflavored gelatine base. Since the pie can be prepared early in the day, then chilled, it gives the hostess plenty of time to get ready

for the party. Served with cups of hot tea, both the pie and your party will lift everyone into the Holiday spirit!

WORLD OF WHEELS SHOW IN BOSTON

Automotive enthusiasts get a rare treat when an array of fabulous customized vehicles along with nearly 200 other exotic cars, trucks and vans is unveiled at the 1981 International World of Wheels in Boston's Commonwealth Pier Exhibition Hall the weekend of January 30- February 1.

These special automotive road queens include the Cool '50 Merc, Roach Coach and Zingers -- Supervette, Supervolks and Supersemi.

The World of Wheels is one of the series in the International Championship Auto Shows competition, which awards nearly \$500,000 annually in prizes during its 150-event season. This year the show moves from Hynes Auditorium to the Commonwealth Pier for more space and is upgraded by ICAS from a AAA to AAAA show to attract more and better custom vehicles.

The 1981 New England edition of the International World of Wheels opens at the Commonwealth Pier Exhibition Hall, easily reached by car or public transportation and with ample parking, on Friday, January 30, at 5 p.m. Show hours are Friday, January 30, from 5 to 11 p.m.; Sat-

Heritage Messiah

INTERFAITH CHOIR IN A ROUND BARN

A highlight of the 16th Falmouth Interfaith Choir season and the 12th season for Heritage Plantation of Sandwich will occur Sunday, December 21, at 2 p.m. when the choral group presents its Christmas presentation of Handel's "Messiah" in and around the 34 antique and classic cars in the Round Barn at the Sandwich museum.

Directed by Paul D'Angelo of Plymouth and accompanied by Marsha Zafiriou, harp-sichordist, of East Falmouth, the choir

features a large chorus and 4 soloists: Ruthann Ryan, soprano, of Woods Hole; Suzanne Bauer, contralto, of South Yarmouth; Ralph Bassett, tenor, of Chatham; and Cap Darling, bass, of East Dennis.

Paul D'Angelo holds a degree of Master of Music from the New England Conservatory of Music and majored in orchestral conducting. He has furthered studied harmony with Nadia Boulanger and piano with Jean Casadesus at the Conservatoire American, Fontainebleau, France. He has also studied at the summer session at the Berkshire Music Center in Tanglewood at Lenox. Mr.

D'Angelo has been a director of the New England Conservatory of Music, designated in the INTERNATIONAL WHO'S WHO IN MUSIC, recipient of the John Philip Sousa Award and served as Chief Musician of the United States Coast Guard Reserve where he directed this band in performances for two U.S. presidents.

The Messiah, which treats the life of Christ in a spiritual and theological manner, is considered by many to be the most popular oratorio in the English language. Performed in Heritage Plantation's large circu-

lar Shaker barn, with its superb acoustics, by more than 50 singers, the December 21st concert promises to be a moment to be remembered. A small admission is charged non-members.

into Boston, a visit to the specially decorated State House would add to the excitement of the season," commented Secretary Connolly. State House Tours, which are free, are conducted from 10 a.m. to 4 p.m. Monday through Friday. Tours are available in French, Spanish, Italian, Greek, Swedish, German and Polish.

The State House, one of the most architecturally beautiful buildings in the entire country, offers a rich history of the Commonwealth and the accomplishments of her citizens. A festive Christmas tree, provided by the Massachusetts Christmas Tree Association, furnished a warm welcome during the holidays.

Secretary Connolly added, "This year the Tours Division of my office has scheduled a number of musical performances which will enhance the pleasure of any visit." Those participating were the New England Conservatory of Music Brass Quintet on Monday, December 15; others are: the Swampscott High School Orchestra on Thursday, December 18; the English Bell Ringers of Needham on Friday, December 19; and the Westwood Choral Group on Monday, December 22. Each performance will begin at noon.
